Day 7

Read a dialogue where three people negotiate who does what to achieve a task.

Mike, 14:41

All right, so I've divided up the tasks among the three of us planning this event like this:
@Jen: make guest list, schedule social media announcements, arrange room set-up, organise musicians
@Ed: book catering, send out invitations, design posters, book speakers
@Mike: reserve rooms, design invitations, write and publish blog post, get emcee

But please don't feel like we need to stick to this. If you prefer to do something else, feel free to say so.

Jen, 14:50

Yeah, I was thinking, as you are project leader @Mike, maybe it's best you make the guest list? I've got experience in graphic design so I'm happy to design the invitations.

Ed, 14:55

@Jen, do you mind designing the posters too? I'm not very good at designing.

Jen, 14:56

Sure, it'll be fun. If I take the poster design off you @Ed, do you think you can organise the musicians?

Ed, 14:58

Absolutely, I know some really good musicians that do events like this one. And I also know a really good emcee. Do you want me to take over getting the emcee too?

Mike, 15:01

@Ed I actually already have an emcee in mind, so I think I'll handle that. I'd appreciate it if you could write and publish the blog post about the event though.

Ed, 15:01

That's not a problem. I quite enjoy online marketing tasks.

Jen, 15:03

If that's the case @Ed, do you want to schedule the social media announcements too?

Ed, 15:04

I can do that ... if someone books the speakers.

Mike, 15:08

I'll book the speakers. And since I'm making the guest list, I should send out the invitations too. @Jen, are you still OK with arranging the room set-up?

Jen, 15:09

Yes, let me do the room reservations as well.

Mike, 15:10

Good idea. That would work nicely.

Answer True or False.

Great mains, pity about the chips

Came for lunch with my sister. We loved our Thai-style mains which were amazing with lots of flavour, very impressive for a vegetarian restaurant.

But the service was below average and the chips were too terrible to finish.

When we arrived at 1.40, we had to wait 20 minutes while they got our table ready. OK, so we didn't have a reservation, but the restaurant was only half full. There was no reason to make us wait at all.

We ordered the chips as a side dish and they looked delicious. But, when we tasted them, they were overcooked and swimming in oil so we left most of them. We expected a lot more for \$10!

When the waiter asked if everything was ok, we said we really didn't like the chips and he said 'That's funny, I love them' and that was it. He didn't offer us anything else or take them off our bill. Also, when we didn't leave a tip, he looked annoyed.

I was really excited about visiting Vega, and the mains were just fantastic, but the rest of the experience was really disappointing.

Put the words in the correct box based on the feeling they convey.

amazing	uninspired	terrible	mediocre
below average	boring	disappointing	bland
impressive	awe-inspiring	delicious	unique
overcooked.	intriguing	fantastic	riveting
